Sumter, SC 29151

**Re: Bid Opening – SWRTA – Bus Maintenance Garage Renovations**

On May 15<sup>th</sup>, 2023, a Bid Opening Meeting was conducted for the Bus Maintenance Garage Renovations Project.

Present at the meeting were as follows:

| Name               | Company                | E-mail   |
|--------------------|------------------------|--|
| Nelson Hall        | Wolf Trail Engineering | <a href="mailto:nelson@wolftrailengineering.com">nelson@wolftrailengineering.com</a> |
| Patricia Drakeford | SWRTA                  | <a href="mailto:pdrakeford@swrta.com">pdrakeford@swrta.com</a>                       |
| Larry Jennings     | SWRTA                  | <a href="mailto:ljennings@swrta.com">ljennings@swrta.com</a>                         |
| Pamela Boyles      | K & D Contracting      | <a href="mailto:pam@kdcontractingservices.com">pam@kdcontractingservices.com</a>     |

Based on the lowest responsive bid, I recommend that Hardee Construction be awarded the contract for the Bus Maintenance Garage Renovation Project for a base bid of One Hundred Seventy-Three Thousand Three Hundred and Ten Dollars with a Contingency of Two Thousand Dollars for a base Bid Total of (\$175,310.00). I would also recommend that the Alternate #1 bid of Three Thousand Five Hundred Dollars (\$3,500.00) be included for a Total Contract of One Hundred Seventy-Eight Thousand Eight Hundred Ten Dollars (\$178,810.00).

Premier Building Construction's bid was judged as non-responsive because of elements in the base bid being omitted.

If I can be of further service in the matter, please advise.

Regards,

*W. Nelson Hall*
